The outstanding denomination per Bond is equal to (i) until the first Partial Redemption Date (including): EUR 653.21, and (ii) from the first Partial Redemption Date (excluding): an amount specified as such in the Partial Redemption Notice (the "**Outstanding Denomination**").

The outstanding Principal Amount of the Bonds is equal to the product of the number of Bonds issued and the Outstanding Denomination (the "**Outstanding Principal Amount**").

- (b) The Bonds are represented by a global bearer bond (the "**Global Bond**") which is deposited with the Clearing System. The holders of Bonds ("**Holder**" and each a "**Holder**") are entitled to co-ownership interests (*Miteigentumsanteile*) in the Global Bond, which are transferable in accordance with applicable laws and the rules and regulations of the Clearing System. The right of the Holders to request the issue and delivery of definitive bonds or interest coupons is excluded.

The Global Bond shall bear the manual or facsimile signatures of any two directors of the Issuer as well as the manual signature of an authentication officer of the Principal Paying Agent.

Pursuant to the book-entry registration agreement between the Issuer and Clearstream, Frankfurt, the Issuer has appointed Clearstream, Frankfurt as its book-entry registrar in respect of the Bonds and agreed to maintain a register showing the aggregate number of the Bonds represented by the Global Bond under the name of Clearstream, Frankfurt, and Clearstream, Frankfurt has agreed, as agent of the Issuer, to maintain records of the Bonds credited to the accounts of the accountholders of Clearstream, Frankfurt for the benefit of the holders of the co-ownership interests in the Bonds represented by the Global Bond, and the Issuer and Clearstream, Frankfurt have agreed, for the benefit of the holders of co-ownership interests in the Bonds, that the actual number of Bonds from time to time shall be evidenced by the records of Clearstream, Frankfurt.

- (c) The Global Bond will be held in custody by or on behalf of the Clearing System until all obligations of the Issuer under the Bonds have been satisfied.

3. Status, Securitisation Law, Limited Recourse, Non Petition, Priority of Payments, Restrictions

(a) Status

The obligations under the Bonds constitute direct, unsecured and (subject to Condition 3(e) *Limited Recourse* – and 3(f) *Non Petition*) unconditional obligations of the Issuer ranking *pari passu* among themselves. The Bonds represent limited recourse obligations of the Issuer, as described below in Condition 3(b). The Holders shall only have the right to receive payments on the Bonds solely from payments received by the Issuer under the Underlying Security and proceeds from a sale of the Underlying Security by the Issuer.

Save for Condition 15(a), the Bonds are issued subject to, and will be enforced in Luxembourg, if applicable, in accordance with the provisions of the Securitisation Law (as may be amended from time to time) of Luxembourg or any other applicable Luxembourg law.

(b) Securitisation Law

In compliance with the Securitisation Law, the Articles authorise its management board to create one or more independent parts of the Issuer's estate (*patrimoine*) (each individual part referred to as a "**Compartment**" and collectively, the "**Compartments**") distinguishable from the rest of the Issuer's estate by the nature of assets or liabilities relating to such Compartment, the assets and liabilities of a Compartment are exclusively available to satisfy the rights of the creditors whose claims have arisen on the creation, operation or liquidation of such Compartment.

The Issuer (a) is subject to the Securitisation Law and its Articles and (b) has created the Compartment 24 to which all assets, rights and claims relating to the Bonds are allocated. Consequently, the assets of Compartment 24 are exclusively available to satisfy the rights of investors in relation to that Compartment 24 and the rights of creditors whose claims have arisen in connection with the creation, the operation or the liquidation of that Compartment 24. The Holders have only recourse to the assets of the Compartment 24 and not to the assets allocated to other Compartments (if any) created by the Issuer or any other assets of the Issuer.

In compliance with paragraph 4 of Article 5 of the articles of association of the Issuer, claims which are not incurred in relation to the creation, operation or liquidation of a specific compartment, shall be allocated by the management board of the Issuer to the Issuer's Compartments on a pro rata basis of the assets of those Compartments, unless the management board of the Issuer has explicitly allocated such claims to specific Compartments, on another basis, or in another manner as the management board of the Issuer may deem more appropriate.

(c) Use of Proceeds

The proceeds from the issuance of the Bonds will be an amount equal to 100.00% of the Issued Principal Amount of the Bonds issued by the Issuer in accordance with Condition 2(a). The Issuer will apply the proceeds of the issuance of the Bonds for the purposes of purchasing the Underlying Securities and fulfilling its contractual obligations.

(d) Transaction Agreements

In order to secure the economics of the Bonds, the Issuer will enter into the following agreements:

- (i) Asset Sourcing Agreement, to be entered into with the Asset Sourcing Agent. Under the terms of the Asset Sourcing Agreement, inter alia, the Issuer seeks advice on the composition of the initial composition of the Underlying Securities, sourcing thereof in the market and potential replacement of those.
- (ii) Intermediary Agreement, under which terms the Intermediary has initiated the issue and the placement the Bonds in the market.
- (iii) Confirmation of blockage, pursuant to which all interest payments and maturities of the Underlying Securities credited on the accounts of the Issuer at its depository in respect of Compartment 24 will be primarily used to fulfil all demands under the Bonds.

(e) Limited Recourse

The Issuer's ability to satisfy its payment obligations under the Bonds in full is dependent upon it receiving corresponding payments under the Underlying Security, proceeds from a sale of the Underlying Security in accordance with these Conditions (the "**Received Assets**"). The fees and claims of, amongst others, the

administrator of the Issuer or the custodian of Compartment 24, of the Issuer shall have priority over the claims of the Holders in respect of the Received Assets and the net proceeds (if any) of any realisation of the security for the Bonds may be insufficient to pay amounts due to the holders of the Bonds either in full or at all.

If the Received Assets are not sufficient to make all deliveries or payments which, but for the effect of this Condition 3(e), would be due in respect of the Bonds, the obligations of the Issuer in respect of the Bonds will be limited to an amount equal to such Received Assets ("**Limited Recourse**"). In such event, the Issuer will not be obliged to pay, and the other assets of the Issuer will not be available for payment of, any such shortfall and the rights of the Holders and other creditors to receive any further amount in respect of such obligations shall be extinguished and none of the Holders or other creditors may take any further action towards the Issuer to recover such amounts.

To the extent that the assets of Compartment 24 are ultimately insufficient to satisfy the claims of the Holders in relation to that Compartment 24, then the Issuer shall not be liable for any shortfall arising and the Holders shall not have any further claims against the Issuer. Such assets and proceeds shall be deemed to be "ultimately insufficient" at such time when no further assets are available and no further proceeds can be realised therefrom to satisfy any outstanding claims of the investors or creditors, and neither assets nor proceeds will be so available thereafter and the investors or creditors shall, in particular, have no recourse and no other right on or claim and they shall not claim against other assets of the Issuer, including the assets allocated to other Compartments of the Issuer or those who belong to the general estate of the Issuer, which are not allocated to any Compartment. The claims of full payment shall in such case be extinguished.

(f) Non Petition

The Holders have no right to open or initiate or join any person initiating any legal proceeding against the Issuer in relation to the claims hereunder, which could lead to the opening of any insolvency proceeding, collective or reorganisation proceedings or to the appointment of a liquidator or receiver to the seizure or enforcement of any of the assets of the Issuer, other than the assets of Compartment 24.

(g) Priority of Payments

(i) The Received Assets will be distributed among the creditors of the Issuer as follows:

1. Any amount due to any creditor(s) privileged by law and in particular any amount due to tax authorities;
2. Administrator of the Issuer and the custodian of Compartment 24 for any unpaid costs and expenses which can be directly linked to Compartment 24;
3. In the case of Liquidation of the Underlying Securities, to the Liquidator as the Liquidator Fee;
4. The Issuer for an amount equal to the Annual Fee and in the case of Liquidation of the Underlying Securities, the Liquidation Costs (except for the Liquidator Fee);
5. Holders for any and all claims under the Bond(s) held by the respective Holder.

(ii) None of the Holders or any other party entitled to any claims against the Issuer in connection with the Bonds have any right to take any corporate action or other steps or legal proceedings for the winding-up, dissolution or reorganisation or for the appointment of a receiver, administrator, administrative receiver, agent, liquidator, examiner, sequestrator or similar officer of the Issuer or of any or all of the revenues and assets of the Issuer, or have any right to take any steps, except in accordance with these Conditions, for the purpose of obtaining payment of any amounts payable to it under the Conditions by the Issuer or take any steps to recover any debts whatsoever owing to it by the Issuer. Any claims in respect of any sum arising in respect of any security interest for securities of any other series of securities issued by the Issuer are excluded.

(iii) None of the Holders or any other party entitled to any claims against the Issuer in connection with the Bonds (or any person acting on behalf of any of them) shall have any recourse against any director, shareholder, member, agent or officer of the Issuer in respect of any obligations by the Issuer pursuant to these Conditions or any notice which the Issuer is required to make pursuant to these Conditions.

(h) Restrictions

Subject to the provisions of these Conditions, so long as any of the Bonds remain outstanding, the Issuer shall in the name of its Compartment 24 not incur any other indebtedness or engage in any business (other than acquiring and holding the Underlying Security, entering into the Asset Sourcing Agreement and entering into related agreements and transactions required or desirables in connection with the issuance of the Bonds), declare

any dividends, have any subsidiaries or employees, purchase, own, lease or otherwise acquire any real property (including office premises or like facilities), consolidate or merge with any other person or convey or transfer its properties or assets substantially as an entity to any person (otherwise than as contemplated in these Conditions) or issue any shares (other than such shares as were in issue on the Issue Date). The Issuer may replace the Asset Sourcing Agent at its sole discretion with any other providers the Issuer deems suitable during the term of the Bonds. Notwithstanding the foregoing the Issuer may withdraw the Annual Fee and in the case of Liquidation of the Underlying Securities, the Liquidation Costs.

4. Interest

The Bonds bear no interest.

5. Redemption

- (a) Unless otherwise previously redeemed and exchanged or purchased and cancelled in accordance with these Conditions, the Issuer will redeem each outstanding Bond on the Maturity Date on the Basket Value, as determined by the Issuer on the Final Fixing Date, by cash payment.

For the avoidance of doubt any non-reclaimable domestic and foreign tax resulting from the Underlying Securities will not form part of the amounts received under the Underlying Securities. Reclaimable domestic and

foreign tax or other deductions will form part of the Basket Value in the year and to the extent respective reclaims have been irrevocably assessed by the responsible authorities and would have been paid to a Notional Investor less any legal fees necessary to achieve such reclaims for a Notional Investor.
