Independent auditor's report

To the Shareholders of
Opus (Public) Chartered Issuance S.A.
6, rue Eugène Ruppert
L-2453 Luxembourg

Opinion

We have audited the financial statements of Opus (Public) Chartered Issuance S.A. (the "Company"), which comprise the balance sheet as at 31 December 2017, and the profit and loss account for the year then ended, and the notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31 December 2017, and of the results of its operations for the year then ended in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the financial statements.

Basis for opinion

We conducted our audit in accordance with the Law of 23 July 2016 on the audit profession (the "Law of 23 July 2016") and with International Standards on Auditing (ISAs) as adopted for Luxembourg by the "Commission de Surveillance du Secteur Financier" ("CSSF"). Our responsibilities under those Law and standards are further described in the "Responsibilities of the "réviseur d'entreprises agréé" for the audit of the financial statements section of our report. We are also independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) as adopted for Luxembourg by the CSSF together with the ethical requirements that are relevant to our audit of the financial statements, and have fulfilled our other ethical responsibilities under those ethical requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Board of Directors and of those charged with governance for the financial statements

The Board of Directors is responsible for the preparation and fair presentation of these financial statements in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the financial statements, and for such internal control as the Board of Directors determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Responsibilities of the “réviseur d’entreprises agréé” for the audit of the financial statements

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a report of “réviseur d’entreprises agréé” that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors;
- Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report of “réviseur d’entreprises agréé” to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of report of “réviseur d’entreprises agréé”. However, future events or conditions may cause the Company to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTE 1 – GENERAL INFORMATION

Opus (Public) Chartered Issuance S.A. (the "Company") was incorporated on August 12, 2015 as a société anonyme and is organized under the laws of the Grand Duchy of Luxembourg as a public limited liability company for an unlimited period and is subject to the Law of March 22, 2004 on securitisation (the "Securitisation Law").

The Company has its registered office at 6, rue Eugène Ruppert, L-2453 Luxembourg. The Company is registered in the Luxembourg register of commerce and companies under Section B, number 199463.

The Company's financial year starts on January 1 and ends on December 31 of each year, except for the first financial period from August 12, 2015 (date of incorporation) to December 31, 2015.

The corporate object of the Company is to act as an issuing entity in the context of one or several securitisation operations governed by and under the Securitisation Law.

The Company may enter into execute and deliver and perform any swaps, futures, forwards, derivatives, options, repurchase, stock lending and similar transactions. Without prejudice to the generality of the previous sentence, the Company may also generally employ any techniques and instruments relating to investments for the purpose of their efficient management, including, but not limited to, techniques and instruments designed to protect it against credit, currency exchange, interest rate risks and other risks.

Compartments

The Board of Directors is entitled to create one or more compartments, each corresponding to a separate part of the Company's estate.

The rights of holders of instruments issued in respect of a compartment and the rights of creditors that relate to or have arisen in connection with the creation, the operation or the liquidation of a compartment are limited to the assets of that compartment.

The assets of each compartment are exclusively available to satisfy the rights of the holders of instruments issued in respect of that compartment and the rights of creditors that have arisen in connection with the creation, the operation or the liquidation of that compartment.

Notwithstanding the foregoing, if following the redemption or repayment in full of the instruments issued in respect of a compartment and the satisfaction in full and termination of all obligations of the Company to the creditors whose claims have arisen in connection with the creation, operation or liquidation of that compartment, there remain assets in such compartment, the Board of Directors may allocate such assets to another compartment or to the general estate of the Company.

The Board of Directors shall establish and maintain separate accounting records for each of the compartments of the Company for the purpose of ascertaining the assets affected to each compartment, such accounting records to be conclusive evidence of the assets contained in each compartment in the absence of manifest error.

Claims which are not incurred in relation to the creation, operation or liquidation of a specific compartment may be paid out of the general estate of the Company or may be apportioned by the Board of Directors between the Company's compartments on a pro rata basis of the assets of those compartments or on such other basis as it may deem more appropriate.

The liquidation of a compartment may be decided by the Board of Directors.

The Company does not need to consolidate and is not included in any consolidated accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1. General principles

The annual accounts have been prepared in accordance with Luxembourg legal and regulatory requirements under the historical cost convention. Accounting policies and valuation rules are, besides the ones laid down by the Law of December 19, 2002, as amended, determined, and applied by the Board of Directors.

Trade creditors have been reclassified to other creditors. Those reclassifications were made in order to increase presentation of related items with no impact on profit and loss as well as equity of the Company.

2.2. Financial instruments

2.2.1. Investments held as fixed assets and other loans

Investments held as fixed assets are recorded at purchase price. In case of durable depreciation in value according to the opinion of the Board of Directors, value adjustments are made in respect of investments held as fixed assets, so that they are valued at the lower figure to be attributed to them at the balance sheet date. These value adjustments are not continued if the reasons for which the value adjustments were made ceased to apply.

2.2.2. Discount and Premium

Discounts and premiums arising from the issuance of notes or purchase of assets or hedging instruments are amortized on a straight line basis over the life of the underlying security or hedging instruments.

2.2.3. Non convertible loans

The Company issues notes through its compartments. The pay-off can be contingent to the performance of certain underlyings such as interest rates, indices or securities. The notes are recorded at cost and the difference between the nominal value and the cost is recognised as a discount or premium which is then amortised over the life of the notes using the straight line method and recorded in the profit and loss account.

2.2.4. Equalisation provision

Losses during the year as a result from default or impairment due to lower market values may cause a decrease in value of the notes issued. Consequently, a provision for value diminution will be made and deducted from the issued notes. Correspondingly, such amounts will be mirrored in the profit and loss account as equalisation provision in "Other interest and similar income". Gains during the year as a result of reversal value adjustments, realized profit or exceptional gains may cause a partial increase in value of the notes issued. Such excesses for value increases will be added to the issued notes and recorded in the profit and loss account as equalisation provision in "Interest Payable and Similar Expenses".

Opus (Public) Chartered Issuance S.A.
NOTES TO THE ANNUAL ACCOUNTS
December 31, 2017
(Continued)

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

2.3. Debtors

Debtors are valued at their nominal value. They are subject to value adjustments where their recovery is compromised. These value adjustments are not continued if the reasons for which the value adjustments were made have been ceased to apply.

2.4. Prepayments

Prepayments are expenses incurred in a financial year but related to a subsequent financial year. They consist of other operating charges and premiums paid on Call options that have been capitalised and are being amortised over the life of the transaction.

2.5. Translation of foreign currencies

The Company maintains its accounts in Euro ("EUR") and the annual accounts are expressed in this currency. Amounts in foreign currencies are translated into EUR on the following basis:

Assets and liabilities items denominated in a currency other than EUR are translated at the exchange rate prevailing on the balance sheet date with the exception of long term assets and notes issued which are maintained at their historical foreign exchange rate;

Income and expenses denominated in a currency other than EUR are translated into EUR at the exchange rates effective at the time of the transaction.

2.6. Impairment

Valuation adjustments on financial assets represent the permanent reduction in the carrying value of securities. Such reductions are reported as value adjustments on financial assets under the charges section of the profit and loss.

2.7. Revenue / Expense Reporting

Interest income and expenses are recognized on an accrual basis when their realization is likely.

Payments of a compartment to cover general and administrative expenses of the Company as well as remaining assets are recognized as revenues when they are paid from a compartment to the general estate of the Company according to the terms of the notes issued by such compartment.

2.8. Rounding Differences

Amounts are rounded to EUR in each balance. Sum may deviate by +/- 1 EUR.
